

Khaled Anter

Junior Software Tester — Manual QA — Web & Mobile Testing

Mansoura, Egypt — khaledanter1080@gmail.com — +20 109 936 0266 — linkedin.com/in/khaled-anter-0x

PROFILE

Junior Software Tester with hands-on experience in manual testing of web and mobile applications. Skilled in test case design, test execution, functional, regression, exploratory, and API testing. Experienced in web, mobile, and REST API testing, with a background in web and API security testing.

SKILLS

Technical Skills

- **Testing:** Manual Testing, Functional Testing, Regression Testing, Smoke & Sanity Testing, Exploratory Testing, Test Case Design & Execution, Bug Reporting, Positive & Negative Testing
- **Web & Mobile:** Web Application Testing, Mobile Application Testing, UI Testing, User Workflow Testing, Input Validation, Authentication & Authorization Testing
- **API Testing:** REST API Testing, Postman, HTTP Methods & Status Codes, Request/Response Validation
- **Test Management & Tools:** Jira, Trello, Zephyr, Postman, Browser DevTools, Git, Linux
- **Security:** Web & API Security Testing, OWASP Top 10, Burp Suite, Authentication & Authorization Testing

Soft Skills

- Problem-Solving, Analytical Thinking, Leadership, Attention to Detail, Continuous Learning, Teamwork

PROJECTS

TryHackMe – Web Application Testing

- Designed and documented **50+ manual test cases** covering Login, Search, Dashboard, input validation, and core user workflows.
- Executed functional, positive, negative, and exploratory testing and evaluated actual behavior against expected results.

Agile Travel – Web Application Testing

- Designed and documented **50+ manual test cases** covering travel booking, ticket reservations, appointment scheduling, and user workflows.
- Performed functional, negative, and exploratory testing to validate input handling and workflow consistency.

Graduation Project – ReMind

- Worked as a **Backend Developer** on a Flutter-based mobile application using PHP/Laravel, with AI-powered features and REST APIs.
- Designed and executed **manual QA tests** covering mobile application functionality, user workflows, and integration scenarios.
- Performed **API testing** using Postman and validated request/response behavior across application workflows.
- Performed **security testing** of the web/API components, focusing on authentication, authorization, input handling, and common web security risks.

EDUCATION

Bachelor of Computer Science

Misr Higher Institute for Engineering and Technology

2022 – 2026

STUDENT ACTIVITIES

IEEE - Mansoura University

Head of Cybersecurity Committee

2025 – 2026

Member of Cybersecurity Committee

2024 – 2025

CAT Reloaded - Mansoura University

Member of Cybersecurity Committee

2024 – 2025

ACPC - MET Academy

Participated in ICPC competitions

2022 – 2023

CERTIFICATIONS & TRAINING

- Introduction to Software Testing Concepts & Techniques – Mahara-Tech
- Testing Bootcamp – Nezam Academy
- ISTQB Fundamentals
- Jr Penetration Tester – TryHackMe
- Certified Associate Penetration Tester (CAPT) – Hackviser
- Penetration Tester – Digital Egypt Pioneers Initiative (DEPI)
- INE eJPTv2 Training (Self-Study)
- CompTIA Security+ (Self-Study)
